Dear Ms. Slade

Enclosed please find information regarding your two inquiries into recent reports by my committee.

First, I have enclosed the amended portion of our 12 day Pre-Primary Report that omitted Column B figure for Line 11(a) (II).

Second, I have enclosed both the letter and the amended portions of the July 15 Quarterly, the 12 day Primary Report, and the October 16 Quarterly. The question regarded a 6/28/96 contribution from Cheryl Pope, which was reattributed to her husband William Pope's limit on July 15. However, due to the changing of Treasurers our reports did not reflect this alteration. I have highlighted the relevant portions. I hope the enclosed documents and amendments remedy this problem.

If you have any questions regarding these matters please feel free to contact me.

Sincerely,

Dale M. Leam  
Treasurer
